## WHAT IS PROJECT KHILONA?

A joyful initiative to promote learning through play by establishing Toy Libraries in under-resourced communities across India.

These libraries are playful, safe spaces where children explore, imagine, and develop critical life skills - all while having fun.

**KEY FOCUS AREAS :**  
Play | Creativity | Fun

## WHY TOY LIBRARIES?

- No access to age-appropriate, educational toys
- Lack of play-based, hands-on learning in rural India
- Limited cognitive and social stimulation for early learners
- Parents unaware of play's role in development
